A message to our customers; all our plastic product bags are supplied by Uline Corporation. They are completely recyclable, 100% virgin polyethylene film and are FDA and USDA compliant.

The plastic bags are made from: LDPE (Low-density polyethylene), sulfur free, BHT free (Butylated Hydroxytoluene), Amide, Amine and Silicon free and Latex free.

Inzana Ranch & Produce strives to recycle as much of our plastic, paper and cardboard materials as possible and we would like to encourage all of our customer to do so as well.

Thank you sincerely for your efforts in advance.
